Weight - net	31 lbs
Shipping dimensions	16” x 15” x 25”
Shipping weight	35 lbs
Warranty	Reliable™ 1 Year Warranty

DESCRIPTION

The i700 has been designed from the ground up to deliver superior quality dry steam, and provide the best possible user experience.

Reliable™ understands that the quality of a boiler-iron is only as good (no matter how nice it looks) as what is inside it. This is why we use the best components available; 12-gauge wiring throughout, a ceramic (not plastic) terminal block, Ranco pressure control and an all stainless steel steam tank to eliminate the chance of rust.

BEST USED FOR

Ladies, men’s and children’s clothing
Drapery and furnishings
Automotive
